

VICTORIA STROKE RECOVERY ASSOCIATION (VSRA)

CONSTITUTION May 1, 2023

1. The name of the Society is “Victoria Stroke Recovery Association”. In this constitution and by-laws, this Society shall be referred to as the “Association”.
2. This society is a member-funded society funded primarily by members to carry on activities for the benefit of members. On its liquidation or dissolution, this society may distribute its money and other property to its members. The purposes of the Association are:
 - a) To promote health by providing stroke survivors and their caregivers with counselling, information, group support programs, education, social and recreational activities, and caregiver support;
 - b) To promote health by assisting stroke survivors and their caregivers with resources, information and tools to improve quality of life and allow stroke survivors to live independently;
 - c) To promote health by providing stroke survivors with speech and adaptive physical exercise therapy for continued rehabilitation after discharge from hospital, medical and therapy treatments;
 - d) To promote health by increasing awareness in the general public of, the causes, symptoms, prevention and impact of strokes; and,
 - e) To advance education by providing the general public with brochures, booklets, guides, educational seminars and presentations about the causes, symptoms, prevention and impact of strokes.
